***IMPORTANT**

- Students can only receive 1 Public Bursary per Academic Year.
- Recipients of the MOE Bursary Tiers 1 & 2 may submit a fresh application for a public bursary with a higher quantum if there have been any changes in household income since the previous application in July. If the assessed PCI at the time of the November application should render the student eligible for a larger public bursary award, we will revise the award designated for AY2016 and a top-up of the monies (where applicable) will be made for AY2016.
