

Requirements for online photo submission

Your acceptance into SIT is contingent upon the online submission of your photo in the required format. Do ensure you submit your photo within the stipulated deadline, if you fail to meet the online photo submission deadline we would take it that you are not interested in the admission offer and wish to withdraw your acceptance.

Please submit a **recently taken** passport sized photograph taken against a **plain white background**. Kindly note that your photograph will be printed on your **SIT Student Card**, displayed on SIT student systems (IN4SIT) and your **Student Concession Card** issued by Transitlink when you apply for it.

As the student card identifies you as a student of SIT, you have to be appropriately attired in a manner befitting the status of a university student.

Important Note:

Please ensure that your photograph adheres to the requirements as listed below. Failure to meet the below requirements may result in the rejection of your photo and delay the processing of your SIT Student Card and the subsequent completion of your matriculation exercise.
