

Teachers are the ultimate influencers who lead the future from the classroom. Embark on an unmatched leadership journey by shaping the character and values of the next generation.

The Public Service Commission Scholarship (Teaching Service) prepares you for a career that includes policy formulation and leadership roles in the

Ministry of Education

Maritime and Port Authority of Singapore

With the mission to develop Singapore as a premier global hub port and International Maritime Centre (IMC), MPA is the driving force behind Singapore's port and marine development, taking on the roles of Port Authority, Port Regulator, Port Planner, IMC Champion and National Maritime Representative.

As an MPA scholar, you will have the opportunity to pursue your graduate studies locally or in Asia, Europe, the UK or the US, and gain exposure through internships and overseas exchange programmes. Join us in a global maritime industry and build industry-wide networks as you work with us.

Guide To Scholarships

Which scholarship UNLOCKS YOUR FUTURE?

The right scholarship makes a world of difference to your future. Before you take your pick, take a closer look at the esteemed organisations that are listed here. Each of the scholarship providers serve as a strong bridge between university and industry, and offers a host of benefits and opportunities to help you create the future you want.

ISEAS - Yusof Ishak Institute

Be part of a community of scholars, who can help make a difference in the region.

The Tun Dato Sir Cheng-Lock Tan MA Scholarship supports local students with the opportunity to pursue postgraduate studies in Southeast Asian Studies, Political Science & International Relations, Economics, Sociology, Anthropology, History, Geography, and Archaeology/Archaeological Science, and other relevant subjects.

Funded by The Tun Dato Sir Cheng Lock Tan Trust Fund, the Scholarship is offered on an annual basis and administered by ISEAS - Yusof Ishak Institute.

Immigration & Checkpoints Authority

Under the MHA Uniformed Scholarship with ICA, you will have the opportunity to play a crucial role in Singapore's homefront security.

As an ICA scholar, you will be groomed for key leadership positions through a structured programme of command and staff appointments that empower you to discover and develop your potential.

Not only will you be equipped with holistic skills to prepare for your future career in ICA's fast-paced and dynamic environment, you will also be exposed to a diverse range of functions such as immigration, enforcement, and intelligence fields.

Land Transport Authority

LTA is on the lookout for future leaders.

As an LTA scholar, you will get to experience different functions through job rotation, participate in high-level corporate committees, play a part in management's decision-making, and demonstrate your flair as a leader amongst many others.

Your career will benefit from our strong network of international experts as well as opportunities for overseas exchanges, attachments and training.

Full-time engineering undergraduates studying in local universities can sign up for the Local Study Award. Upon graduation, you can anticipate opportunities to work on mega-infrastructure projects using cutting-edge technology.

Infocomm Media Development Authority

IMDA leads Singapore's digital transformation by developing a vibrant digital economy and an inclusive digital society.

The Singapore Digital (SG Digital) Scholarship empowers you to pursue tech- or media-related studies at the undergraduate or postgraduate level and forge your own career path in a company of your choice*, and excel on a global stage with overseas exposure.

Join IMDA as an architect of Singapore's digital future to develop and regulate the infocomm and media sectors, to create a dynamic, holistic and exciting ecosystem filled with growth opportunities through talent, research, innovation and enterprise.

*Subject to IMDA's approval.

SCHOLARS
CHOICE
PART 1

Singapore Institute of Technology

SIT is Singapore's first University of Applied Learning, offering industry-relevant degree programmes that prepare its graduates to be work- and future-ready professionals. Its mission is to maximise the potential of its learners and to innovate

with the industry, through an integrated applied learning and research approach.

The SIT Scholarship recognises students for their academic excellence, robust co-curricular record and strong leadership qualities. It aims to nurture well-rounded individuals who will contribute to the community, assume roles as future leaders for Singapore's growing industries and become responsible global citizens.

SGRail

SGRail Industry scholars will have the opportunity to work on projects with the Land Transport Authority and SBS Transit Ltd or SMRT Corporation Ltd through a structured developmental programme. Your career path will

be nothing short of diverse and dynamic, with a wide range of specialities such as Signalling, Rolling Stock, Power, Permanent Way and Systems to choose from.

Expect to gain valuable exposure and expertise in the exciting rail industry and make a positive impact on the lives of people in Singapore.

Singapore Police Force

The Singapore Police Force Scholarship (SPFS) is one of the most prestigious scholarships awarded by the Public Service Commission.

As an SPFS scholar, you will continue your learning journey in a world-renowned university which provides intellectually, socially and personally enriching programmes to prepare you for a life of service and leadership.

Upon your return, you will be involved in shaping policies to address issues on public law and order and play an integral role as a guardian of law and order.

National University of Singapore

NUS is a leading global university and Singapore's flagship university, known for its innovative and rigorous education, research and entrepreneurship.

NUS Scholarships are highly coveted scholarships awarded to high calibre individuals who demonstrate academic excellence, high intellectual capacity, sound character, strong leadership potential, and a passion for creativity and innovation.

NUS offers a variety of scholarships to prospective students, such as the NUS Global Merit Scholarship, NUS Merit Scholarship, NUS Sports Scholarship and the NUS Performing and Visual Arts Scholarship.

Singapore University of Social Sciences

SUSS is Singapore's sixth autonomous university. It stands out for its rich heritage in inspiring lifelong education and transforming society through applied social sciences.

SUSS scholarships aim to recognise academic

excellence and develop leadership potential. The Global Excellence Scholarship, Social Impact Scholarship and SUSS Scholarship are premier schemes which provide you with the opportunity to develop your full potential in your chosen discipline.

SUSS also supports outstanding students from ASEAN member countries (excluding Singapore) with the ASEAN Undergraduate Scholarship.

SPH Media

SPH Media gives voice to the stories that need to be told.

Start an exciting career with SPH Media through the SPH Media Journalism Scholarship. You will join one of its newsrooms upon graduation and work alongside its teams of experienced journalists, editors, and audience specialists. Its work is published in

English, Chinese, Malay and Tamil across digital, social, and print platforms. Many of its past scholars have grown to take on leadership roles in the newsrooms and various parts of SPH Media. You could be one of them.
