Singapore Institute of Technology	9
1. BEng (Hons) Aircraft Systems Engineering	9
2. BEng (Hons) Sustainable Built Environment	10
3. BEng (Hons) Engineering Systems	10
4. BEng (Hons) Computer Engineering	10
5. BEng (Hons) Robotics Systems	10
6. BEng (Hons) Electrical and Electronic Engineering	11
7. BEng (Hons) Infrastructure and Systems Engineering	11
8. BSc (Hons) Digital Supply Chain	11
Singapore Institute of Technology - Newcastle University	11
9. BEng (Hons) Electrical Power Engineering	11
10. BEng (Hons) Mechanical Design and Manufacturing Engineering	11
11. BEng (Hons) Naval Architecture and Marine Engineering	11
Singapore Institute of Technology - Technical University of Munich	11
12. BEng (Hons) Electronics and Data Engineering	11
Singapore Institute of Technology - University of Glasgow	12
13. BEng (Hons) Civil Engineering	12
14. BEng (Hons) Mechanical Engineering	12
FOOD, CHEMICAL AND BIOTECHNOLOGY	13

Singapore Institute of Technology	14
1. BEng (Hons) Pharmaceutical Engineering	14
2. B Food Technology	14
Singapore Institute of Technology - Technical University of Munich	14
3. BEng (Hons) Chemical Engineering	14
HEALTH AND SOCIAL SCIENCES	15
Singapore Institute of Technology	16
1. BSc (Hons) Diagnostic Radiography	16
2. BSc (Hons) Dietetics & Nutrition	19
3. BSc (Hons) Occupational Therapy	20
4. BSc (Hons) Physiotherapy	22
5. Bsc (Hons) Radiation Therapy	24
6. BSc (Hons) Speech and Language Therapy	27
7. BSc (Hons) Nursing (Pre-registration and Specialty Training)	28
Singapore Institute of Technology - University of Glasgow	28
8. BSc (Hons) Nursing (Post-registration)	28
INFOCOMM TECHNOLOGY	29
Singapore Institute of Technology	30
1. BSc (Hons) Applied Artificial Intelligence	30
2. BSc (Hons) Applied Computing (Fintech)	30
3. BEng (Hons) Computer Engineering	30
4. BEng (Hons) Information and Communications Technology (Information Security)	30
5. BEng (Hons) Information and Communications Technology (Software Engineering)	30
Singapore Institute of Technology - University of Glasgow	31
6. BSc (Hons) Computing Science	31
Singapore Institute of Technology - DigiPen Institute of Technology	31
7. BSc (Hons) Computer Science in Real-Time Interactive Simulation	31
8. BSc (Hons) Computer Science in Interactive Media and Game Development	31
DigiPen Institute of Technology	32
9. BA User Experience and Game Design	32

Introduction

Applicants who hold a diploma from one of the five local Polytechnics:

- Nanyang Polytechnic (NYP)
- Ngee Ann Polytechnic (NP)
- Republic Polytechnic (RP)
- Singapore Polytechnic (SP)
- Temasek Polytechnic (TP)

are welcome to apply for the listed degree programmes subject to meeting the stipulated entry requirements. Applicants with other local qualifications listed are welcome to apply as well.

[<<RETURN TO TABLE OF CONTENTS](#)

BUSINESS, COMMUNICATION AND DESIGN

Singapore Institute of Technology

1. BBus (Hons) Accountancy	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
2. BBus (Hons) Hospitality and Tourism Management	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants are required to fulfil the <u>programme-specific requirements</u>.
3. BBus (Hons) Aviation Management	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
4. BBus (Hons) Communication and Digital Media	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of ITE Work-Study Diplomas in the following are eligible to apply: Media Communication & Digital Marketing Applicants are required to fulfil the <u>English requirements</u> by application closing, as well as the <u>programme-specific requirements</u>.
5. BISBICT (Hons) Integrated Studies in Business and Infocomm Technology (Hospitality and Tourism Management & Artificial Intelligence)	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants are required to fulfil the <u>programme-specific requirements</u>.

The Culinary Institute of America

6. BBA Food Business Management (Culinary Arts)	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
7. BBA Food Business Management (Baking and Pastry Arts)	Holders of ITE Work-Study Diplomas in the following are eligible to apply: • Culinary Arts & Management • Hotel & Restaurant Management Applicants are required to fulfil the <u>programme-specific requirements</u>.

ENGINEERING

Singapore Institute of Technology

1. BEng (Hons) Aircraft Systems Engineering

Nanyang Polytechnic • Aeronautical & Aerospace Technology • Aerospace Systems & Management • Aerospace Engineering (<i>Merger of Aeronautical & Aerospace Technology and Aerospace Systems & Management</i>) • Advanced & Digital Manufacturing (<i>formerly known as <u>Digital & Precision Engineering</u></i>) • Electronic & Computer Engineering (<i>formerly known as <u>Electronic Systems</u> or <u>Electronics, Computer & Communications Engineering</u></i>) • Mechatronics Engineering • Nanotechnology & Materials Science • Robotics & Mechatronics	Ngee Ann Polytechnic • Aerospace Electronics • Aerospace Engineering (<i>formerly known as <u>Aerospace Technology</u></i>) • Mechatronics and Robotics (<i>formerly known as <u>Automation & Mechatronic Systems</u></i>) • Electrical Engineering • Electronic & Computer Engineering • Electronics & Telecommunications Engineering • Engineering Science • Mechanical Engineering • Mechatronic Engineering
Republic Polytechnic • Aerospace Avionics • Aerospace Engineering [<i>formerly known as <u>Aerospace Engineering (Quality Systems)</u></i>] • Electrical and Electronic Engineering	Singapore Polytechnic • Aeronautical Engineering • Aerospace Electronics • Electrical Engineering • Electrical & Electronic Engineering • Engineering Systems • Mechanical Engineering (<i>formerly known as <u>Mechanical & Manufacturing Engineering</u></i>) • Mechatronics • Mechatronics and Robotics • Mechatronics and Robotics (Aerospace Engineering option) • Mechatronics Engineering
Temasek Polytechnic • Aerospace Electronics • Aerospace Engineering • Electronics • Mechatronics	

Holders of other Engineering diplomas are also welcome to apply. Other diplomas will be considered on a case-by-case basis.

[<<RETURN TO TABLE OF CONTENTS](#)

2. BEng (Hons) Sustainable Built Environment	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of BCA Academy diplomas in the following are eligible to apply: • Architecture (Technology) • Construction Engineering • Construction Engineering (Digital) • Construction Information Technology • Digital and Smart Facilities Management • Digital and Sustainable Architecture • Electrical Engineering and Clean Energy • Facilities Management (<i>formerly known as <u>Strategic Facilities Management</u></i>) • Mechanical Engineering (Green Building Technology)
3. BEng (Hons) Engineering Systems	Holders of a full-time diploma awarded by any one of the five local polytechnics, or a relevant ITE Work-Study diploma are eligible to apply. Holders of BCA Academy diplomas in the following are eligible to apply: • Mechanical Engineering (Green Building Technology) • Electrical Engineering and Clean Energy
4. BEng (Hons) Computer Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of BCA Academy diplomas in the following are eligible to apply: • Digital Engineering • Electrical Engineering and Clean Energy
5. BEng (Hons) Robotics Systems	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.

6. BEng (Hons) Electrical and Electronic Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
7. BEng (Hons) Infrastructure and Systems Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
8. BSc (Hons) Digital Supply Chain	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants with a strong proficiency and interest in Computing, Supply Chain, and Logistics are encouraged to apply.

Singapore Institute of Technology - Newcastle University

9. BEng (Hons) Electrical Power Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
10. BEng (Hons) Mechanical Design and Manufacturing Engineering	
11. BEng (Hons) Naval Architecture and Marine Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics, or a relevant ITE Work-Study diploma are eligible to apply.

Singapore Institute of Technology - Technical University of Munich

12. BEng (Hons) Electronics and Data Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants with strong interest and proficiency in Mathematics and Physics are encouraged to apply.
---	---

[<<RETURN TO TABLE OF CONTENTS](#)

Singapore Institute of Technology - University of Glasgow

13. BEng (Hons) Civil Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of BCA Academy diplomas in the following are eligible to apply: • Construction Engineering • Construction Engineering (Digital) Holders of ITE Technical Engineer Diploma in Civil & Structural Engineering (TED-CSE) are eligible to apply.
14. BEng (Hons) Mechanical Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.

[<<RETURN TO TABLE OF CONTENTS](#)

FOOD, CHEMICAL AND BIOTECHNOLOGY

Singapore Institute of Technology

1. BEng (Hons) Pharmaceutical Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
2. B Food Technology	Holders of a full-time STEM diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of the following diplomas may be eligible for credit exemption for Year 1 modules and/or direct entry to Year 2. • Food Science and Nutrition (NYP) • Food Science and Technology (SP) • Food, Nutrition & Culinary Science (TP) • Advanced Diploma in Applied Food Science (SP)

Singapore Institute of Technology - Technical University of Munich

3. BEng (Hons) Chemical Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants with Chemical Engineering or closely related Science and Technology diplomas are strongly encouraged to apply.

HEALTH AND SOCIAL SCIENCES

Singapore Institute of Technology

1. BSc (Hons) Diagnostic Radiography

Applicants would need to fulfil any of the following English language requirement:

- a minimum grade of C6 for GCE O Level English
- a minimum score of IELTS 6.0 for all components (Academic module)
- or its equivalent is required (Refer to website for full list)

Nanyang Polytechnic

- Aeronautical & Aerospace Technology
- Applied Chemistry
- Biologics & Process Technology
- Biomedical Engineering
- Biomedical Science with Analytics (New)
- Chemical & Pharmaceutical Technology
- Dental Hygiene & Therapy
- Dental Therapy
- Diagnostic Radiation Therapy
- Diagnostic Radiography
- Digital & Precision Engineering
- Electrical Engineering (New)
- Electronic & Computer Engineering
- Electronic Systems
- Electronics, Computer & Communications Engineering
- Engineering Informatics
- Food Science & Nutrition
- Information Technology
- Medicinal Chemistry
- Molecular Biotechnology
- Nursing
- Occupational Therapy
- Oral Health Therapy
- Pharmaceutical Science
- Physiotherapy
- Radiation Therapy
- Social Sciences (Social Work)
- Social Work

Ngee Ann Polytechnic

- Aerospace Electronics
- Aerospace Engineering
- Aerospace Technology
- Automation & Mechatronic Systems
- Biomedical Engineering
- Biomedical Laboratory Technology
- Biomedical Science
- Biotechnology
- Chemical & Biomolecular Engineering
- Chemical Engineering
- Computer Studies
- Data Science
- Electrical Engineering
- Electronic & Computer Engineering
- Electrical & Electronic Engineering
- Electronic Engineering
- Engineering Science
- Health Sciences (Nursing)
- Information Technology
- Internetworking & Comms
- Mechanical Engineering
- Molecular Biotechnology
- Nursing
- Optometry
- Pharmaceutical Science
- Pharmacy Science
- Psychology & Community Development
- Psychology & Community Services
- Psychology Studies
- Veterinary Bioscience

Republic Polytechnic

- Applied AI & Analytics
- Biological Sciences
- Biomedical Electronics
- Biomedical Electronics Engineering
- Biomedical Science
- Biotechnology
- Electrical & Electronic Engineering
- Electronics Engineering
- Health Management and Promotion
- Health Services Management
- Healthcare Administration
- Information Technology (New)
- Mobility & Robotic Systems
- Pharmaceutical Science
- Sport and Exercise Science
- Sports & Health

Singapore Polytechnic

- Aeronautical Engineering
- Aerospace Electronics
- Applied AI & Analytics
- Applied Chemistry
- Applied Chemistry with Materials Science
- Applied Chemistry with Pharmaceutical Science
- Bioelectronics
- Bioengineering
- Biomedical Science
- Biotechnology
- Business Information Technology
- Chemical Engineering
- Chemical Process Technology
- Computer & Network Technology
- Computer Engineering
- Computer Information Systems
- Electrical & Computer Control Engineering
- Electrical & Electronic Engineering
- Electrical Engineering
- Electronics
- Electronics & Communication Engineering
- Electronics, Computer & Communication Engineering
- Food Science & Technology
- Information & Communication Technology
- Information Communication Technology
- Information Technology
- Nutrition, Health & Wellness
- Optometry

Temasek Polytechnic	Institute of Technical Education
• Applied Artificial Intelligence • Applied Chemistry • Applied Food Science & Nutrition* • Big Data & Analytics • Big Data Management & Governance • Biomedical Engineering • Biomedical Informatics & Engineering • Biomedical Science • Biotechnology • Computer Engineering • Electronics • Information Management • Information Studies • Information Technology (New) • Life Sciences • Mechatronics • Medical Biotechnology • Medical Technology • Microelectronics • Pharmaceutical Science • Veterinary Technology	• Work-Study Diploma in Patient Management & Services • Work-Study Diploma in Rehabilitation Care

* This diploma will not be accepted as a relevant diploma for this programme with effect from **AY2027 admissions**. However, applicants from this diploma who have relevant work experience and demonstrated interest will be considered on a case-by-case basis.

Refer to [website](#) for mandatory medical clearance requirements.

6. BSc (Hons) Speech and Language Therapy

Applicants would need to fulfil any of the following English language requirement:

- a minimum grade of A2 for GCE O Level English
- a minimum score of IELTS 7.5 and no less than 7.0 for ALL components (Listening, Reading, Writing AND Speaking) (Academic module) in one sitting
- or its equivalent is required (Refer to website for full list)

**Applicants who miss the English Language proficiency requirements may still apply and will be considered on a case-by-case basis.*

Applicants would need to fulfil any of the following Mother Tongue language requirement:

- a minimum grade of D7 for GCE O Level Higher Mother Tongue or equivalent
- a minimum grade of C6 for GCE O level Mother Tongue or equivalent
- a minimum grade of E for H1 Mother Tongue or equivalent
- a minimum grade of 4 for Mother Tongue Language A: Literature/Language and Literature at HL/SL level

Refer to [website](#) for mandatory medical clearance requirements.

Singapore Institute of Technology - University of Glasgow

8. BSc (Hons) Nursing (Post-registration)	Nanyang Polytechnic • Nursing Ngee Ann Polytechnic • Health Sciences (Nursing) • Nursing
--	---

Refer to [website](#) for mandatory medical clearance requirements.

Students applying for entry to the Bachelor of Science (Honours) in Nursing programme should:

- Be qualified as a Registered Nurse.
- Hold current registration with the SNB which has to be valid for the year of matriculation.
- Have successfully completed an SNB-accredited Diploma in Nursing programme in Singapore.
- Only these two diplomas are accredited:
 - a. Nanyang Polytechnic: Diploma in Nursing
 - b. Ngee Ann Polytechnic: Diploma in Nursing / Health Sciences (Nursing)

INFOCOMM TECHNOLOGY

Singapore Institute of Technology

1. BSc (Hons) Applied Artificial Intelligence	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants with a strong proficiency and interest in Mathematics, Physics, Computing, and Artificial Intelligence are encouraged to apply.
2. BSc (Hons) Applied Computing (Fintech)	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply.
3. BEng (Hons) Computer Engineering	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of BCA Academy diplomas in the following are eligible to apply: • Digital Engineering (<i>formerly known as <u>Construction IT</u></i>) • Electrical Engineering and Clean Energy
4. BEng (Hons) Information and Communications Technology (Information Security) 5. BEng (Hons) Information and Communications Technology (Software Engineering)	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Holders of BCA Academy Diploma in Digital Engineering (<i>formerly known as <u>Construction IT</u></i>) are eligible to apply. Holders of ITE Work-Study Diploma in Data Centre Infrastructure & Operation are eligible to apply (for Information Security option).

DigiPen Institute of Technology

9. BA User Experience and Game Design	Holders of a full-time diploma awarded by any one of the five local polytechnics are eligible to apply. Applicants are required to fulfil the <u>programme-specific requirements</u>.
--	---

Note:

Credit earned by examination at other colleges or universities within the last five years may be transferred, provided such credit meets the guidelines used by the Institute. Due to the rigorous nature and subject specificity of the programs at the Institute, students transferring in to the Institute should expect that no more than 25% of credits required to graduate will transfer. Transfer credit may be accepted subject to the following conditions and restrictions:

1. The course(s) offered for transfer must be taken at a bona fide, legitimate institution recognized and approved by a regulatory authority which oversees the educational system in the country where the institution is located. These courses must appear on official transcripts from the institution and must be comparable in academic quality to the modules offered by the Institute. The final decision regarding the transferability of credits remains at the Institute's discretion.
2. Transfer credit will be considered for courses in which the grade of "B-" or better is recorded.
3. Application for transfer credit is strictly via IN4SIT during the matriculation exercise in July. Please refer to IN4SIT for the step-by-step guide. 2025–2026 Course Catalog 1st Edition - General Information DigiPen Institute of Technology Singapore
4. Upon submission on IN4SIT, applicant must submit a copy of the official transcript and course syllabus with details of course duration, credit hours, assessment methods, topics, etc., to registrar.sg@digipen.edu.
5. A validation examination may be conducted to determine the applicant's knowledge of the subject.
6. "Credit" or "Pass" grades will not be accepted for credit exemption.
7. Outcome of the applications will be published in IN4SIT by week 2 of the next trimester. Students who participated in the DigiPen Foundation Course or DigiPen Honor Track and have earned credits at the DigiPen (Singapore) or DigiPen's U.S. campus may apply for Transfer Credit, subject to above conditions and restrictions. If a course is accepted for credit, it will be counted as a transfer credit. No grade points from such transfer courses will be calculated in the Institute grade point average. However, grades transferred for courses taken in residence at institutions with which the Institute has articulation agreements are exempt from this policy and will be recorded. Credit hours from another institution that are accepted towards the student's educational program must count as both attempted and completed hours. Courses transferred in may not be used to substitute improved grades for passing grades earned at the Institute.
