

UNDERGRADUATE APPLICATION GUIDE FOR APPLICANTS PRESENTING INTERNATIONAL QUALIFICATIONS

Applicants presenting an international qualification from an overseas educational institute, who have completed at least 12 years of formal education may apply for admission.

Applications are assessed holistically taking into consideration academic results (e.g. A Level, High School Certificate), additional qualifications or test results submitted (e.g. SAT, SAT Subject Tests, Advanced Placement, IELTS, TOEFL), relevant work experience/internship/competitions/awards, and personal statement. Admission is competitive, and shortlisted applicants will be required to attend an admission interview.

Please refer to Table 1 for more information on the academic results and test scores required.

Applying to SIT

SIT's annual admissions period is held from January to March each year. Applicants presenting international qualifications should submit the following when applying to SIT.

- 'A' Level/ Year 12 examination results (Entry Qualification)
- 'O' Level/ Year 10 examination results
- High school transcript with explanation of grading system
- For applicants whose language of instruction in high school is not English, an acceptable English language test score (e.g. IELTS, TOEFL) should be submitted. Refer to Table 2.
- Additional test results where required (e.g. SAT, SAT Subject tests). Refer to Table 1 and Table 3.
- Documents that are not in English should be accompanied by a certified English translation

In the online application form, you will be required to select your Entry Qualification, which is usually your 'A' Level/ High School Year 12 qualification if you have obtained your qualification overseas. You may provide information on additional qualifications/ test results (e.g. Degree, TOEFL/IELTS, SAT, SAT Subject Test or other certificates) under the Supplementary Qualification section.
