

**OVERSEAS
INTEGRATED
WORK
STUDY
PROGRAMME**

Singapore Institute of Technology (SIT) is Singapore's university of applied learning. It aims to be a leader in innovative university education by integrating learning, industry and community. SIT offers its own applied degree programmes with a unique pedagogy that integrates work and study. It also offers specialised degree programmes in partnership with world-class universities.

**OVERSEAS INTEGRATED
WORK STUDY
PROGRAMME**

The Integrated Work Study Programme (IWSP) is a distinctive feature of SIT, allowing work-ready undergraduates to be immersed in organisation through an extended work stint, integrating classroom knowledge with real world application. Overseas IWSP (OIWSP) is the overseas equivalent of IWSP.

***** OBJECTIVES ***
OF OIWSP**

Applied Learning

Integration of theory and practice, training students for future regional roles.

Exposure to Real-World Environment

Develop skills, adaptability, creativity and innovation through exposures in regional industries and work practices.

Alignment with Committee on the Future Economy (CFE) Strategies

One of the CFE Strategies encourages students to acquire Global-Asia insights and immerse themselves in overseas markets.

DURATION OF OIWSP

OIWSP lasts between 6 to 12 months, in either overseas or hybrid work arrangement.

IWSP/OIWSP COMMENCEMENT

The IWSP/OIWSP commences in January, May, August and September each year.

WHICH PROGRAMMES HAVE OIWSP

Most SIT and SIT-joint degree programmes offer OIWSP.

FUNDING & SUPPORT

Funding schemes are available to both employers and students for OIWSP to selected markets. This will help to alleviate manpower cost, as well as overseas living expenses.

Having SIT undergraduates can benefit your organisation in the following ways

Work-Ready Candidates

SIT students are predominantly polytechnic graduates who possess skillsets to fit into relevant job roles immediately.

Contribution to Significant Projects

Extended work duration allows students to be assigned to bigger and more significant projects.

Fresh International Perspectives

OIWSP candidates provide fresh perspectives and can help to create a more dynamic and vibrant work environment.
