

## REQUIREMENTS FOR CIA PROGRAMME

Applicants applying to CIA's degree programme are to submit **online** the following additional documents to be considered for admission:

1. Letter of recommendation from an employer or faculty member.
2. Proof\* of completing 6 months working in the food industry in a place that prepares 50% of the food/menu from scratch. This could include both front-of-the-house and back-of-the-house duties.
3. 200 word essay explaining your desire to attend the CIA programme and outlining your career goals.
4. Optional: portfolio of competitions or culinary projects that you have participated in.

\*Applicants who have not completed the full duration of 6 months of relevant work experience may still submit an application to be considered on a case-by-case basis. However, successful applicants who are offered admission are required to have fully met the requirement at the point of course commencement.
