1. Account Creation / Login to SITLEARN Portal

Visit **SITLEARN – Home** (singaporetech.edu.sg/sitlearn/) and click “Manage My Account” at the top right of the website. We recommend using a Chrome or Microsoft Edge browser for registrations.

Please note that you are required to have an account with SITLEARN before registering for the course(s) that you are keen to attend.

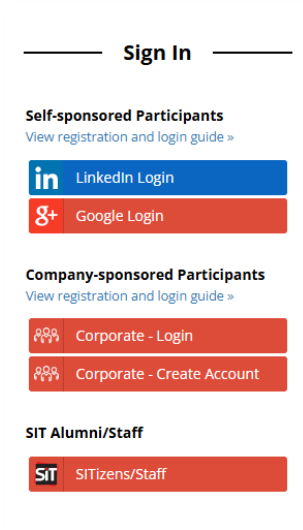

1.1 Creating an Account

Visit **SITLEARN – Home** (singaporetech.edu.sg/sitlearn/) and click “Manage My Account” at the top right of the website.

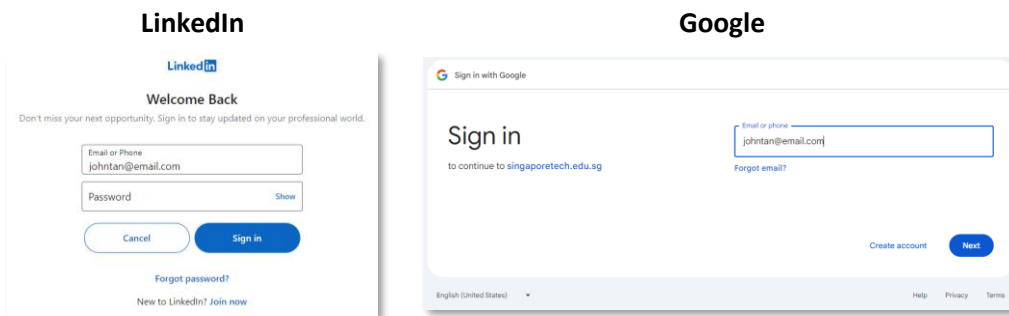

There are 2 categories of Account Creation, they are:

- **Self-Sponsored Participants** refer to the participants who are paying the fee for their own training.
- **Company-Sponsored Participants** refer to the participants who are sponsored by their company/employee for their training.

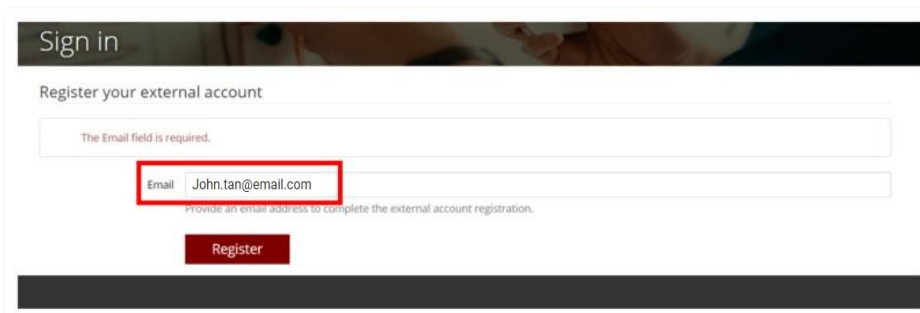

1.1.1 Individuals or Self-Sponsored Registrants

Please select and log in with one of the social media platforms to create an account (LinkedIn or Google) with SITLEARN.

For individuals who select “Google” as your preferred login platform, a “Sign In” page will be prompted. Please enter the same email address as your Google account and click “Register” to proceed.

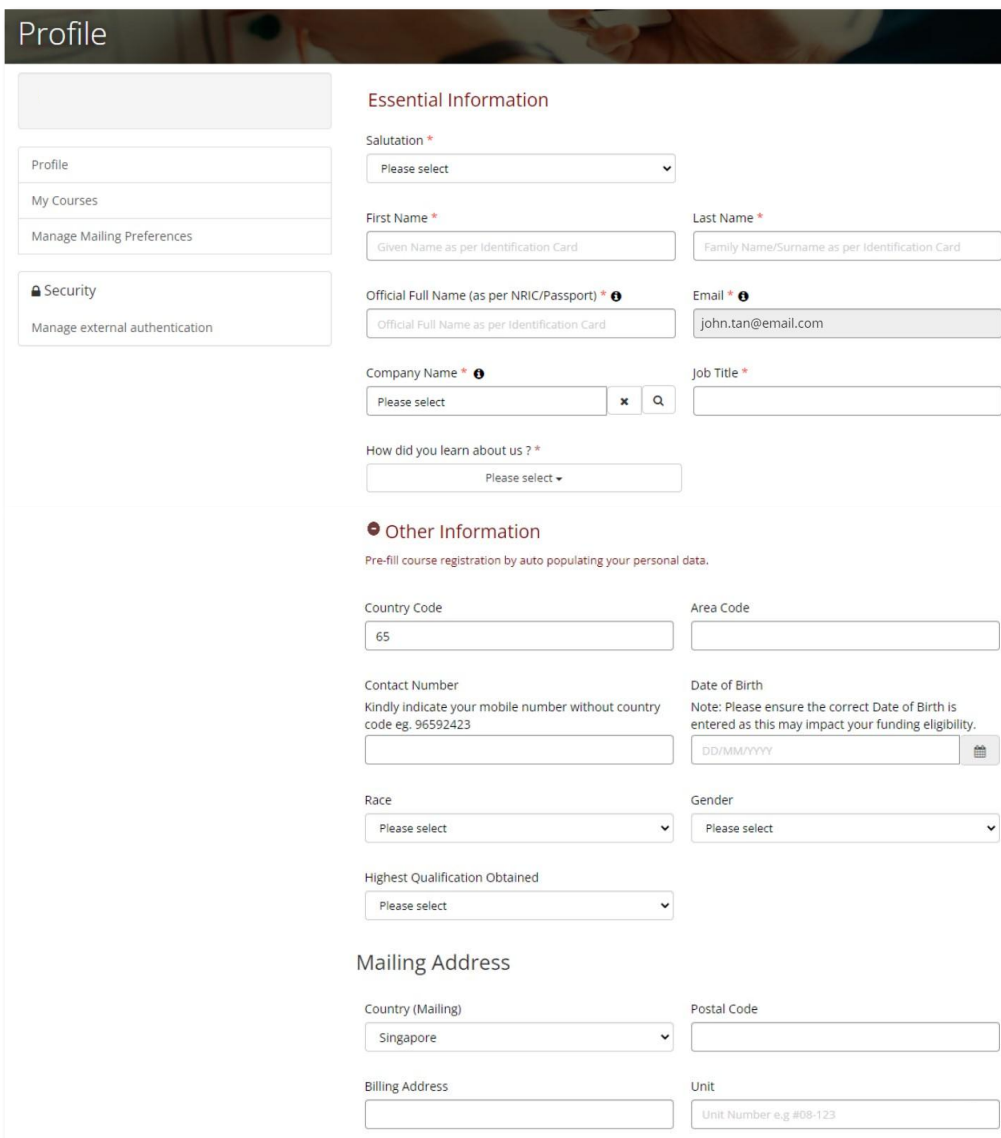

Upon successful login, you will be brought to the Profile page.

A. Profile Page

Fill in your particulars under Essential Information.

You can only proceed to other pages and to register for a course when “Essential Information” on the Profile page has been updated.

Note: The information filled in the Profile page will be auto-filled during course registration. Thus, it is highly recommended to fill in the details under “+ Other Information”.

The screenshot shows the 'Profile' page with a sidebar on the left containing links for Profile, My Courses, Manage Mailing Preferences, Security, and Manage external authentication. The main content area is divided into two sections: 'Essential Information' and 'Other Information'.

Update

If you have any questions or would like to discuss any aspect of this consent form, please do not hesitate to contact us at SITLEARN@SingaporeTech.edu.sg.

C. Managing Mailing Preferences

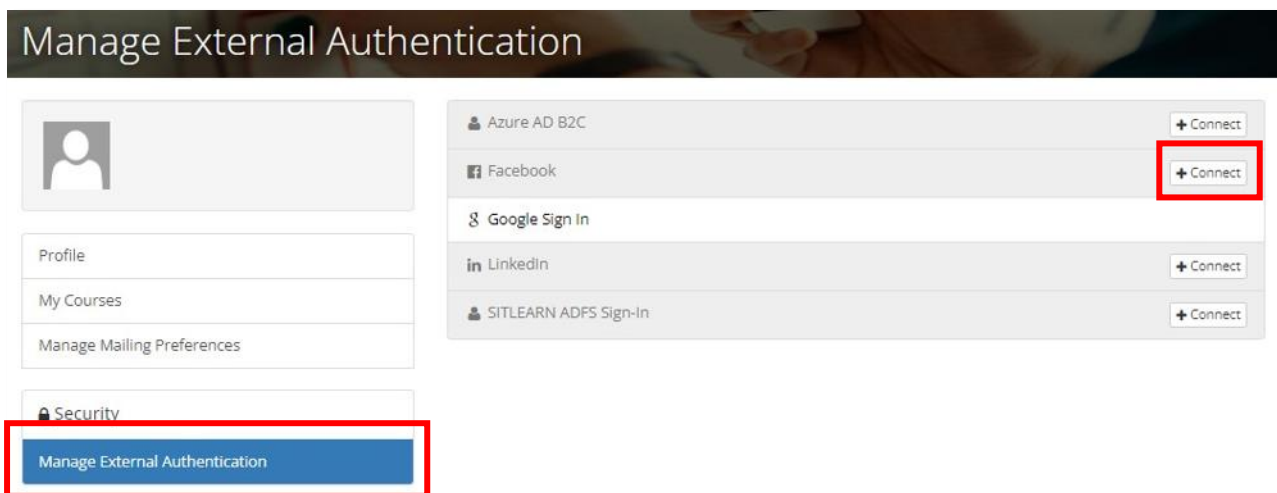

To update your mailing preferences, click “Manage Mailing Preferences”. Select the categories that you are interested in and click “Submit”.

The screenshot shows a user profile page titled "Profile". On the left, there is a navigation menu with options: Profile, My Courses, Manage Mailing Preferences (highlighted with a red box), and Security (Manage external authentication). The main content area is titled "Essential Information" and contains several form fields: Salutation (Please select), First Name (Given Name as per Identification Card), Last Name (Family Name/Surname as per Identification Card), Official Full Name (as per NRIC/Passport) (Official Full Name as per Identification Card), Email (john.tan@email.com), Company Name (Please select), Job Title, and How did you learn about us? (Please select).

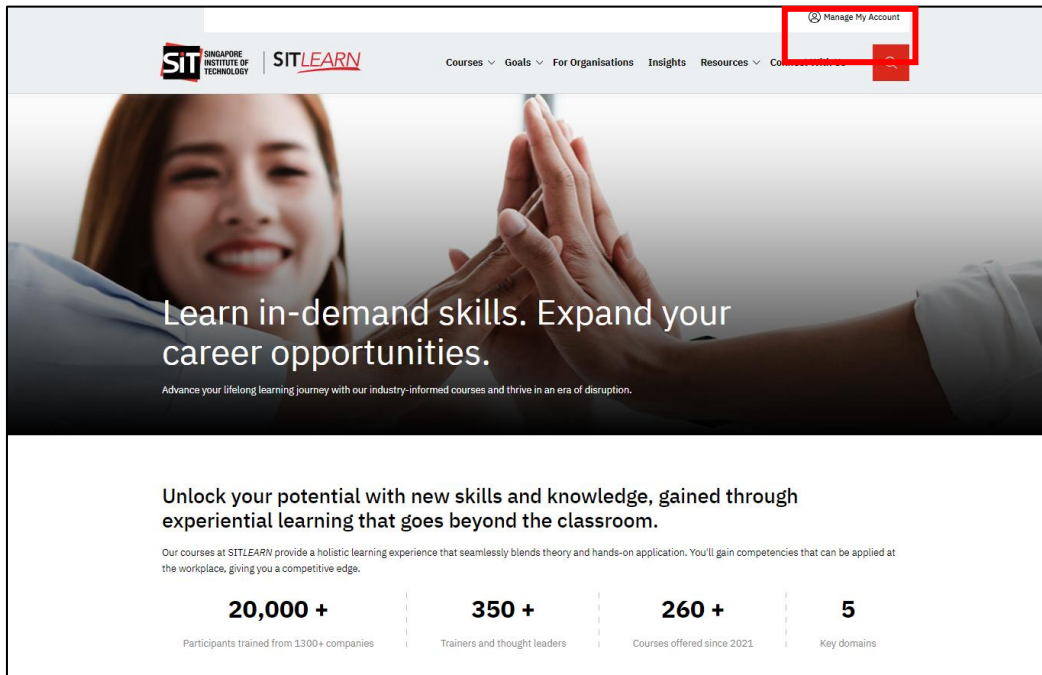

D. Link Your Social Media Accounts

Click “Manage External Authentication” if you would like to link your other social media profiles to your SITLEARN account for easy access. Click “Connect” on the social media platform you would like to connect to and log in accordingly.

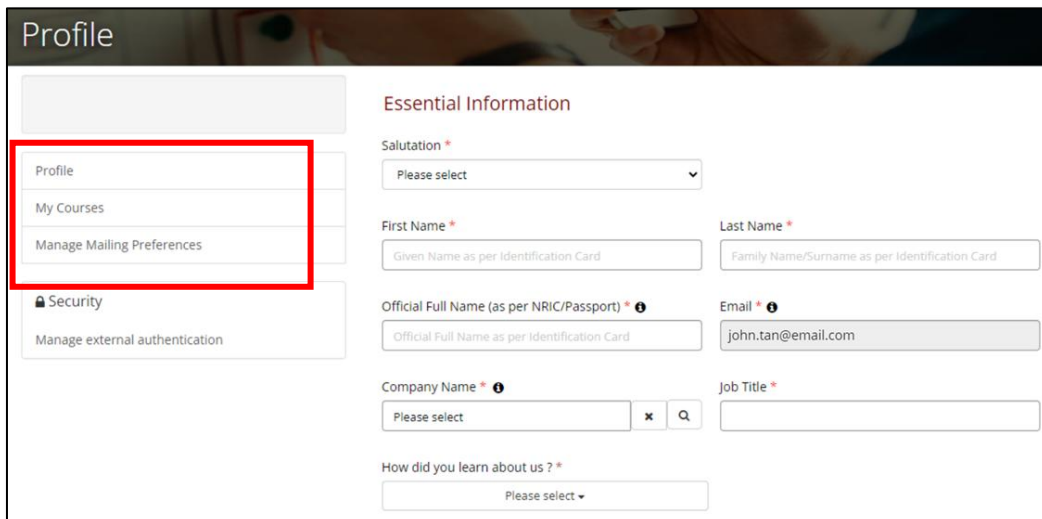

1.2 Login to SITLEARN Portal (Self-Sponsored)

You may visit **SITLEARN - Home** (singaporetech.edu.sg/sitlearn/) and click “Manage My Account” at the top right of the website.

Please select the social media platform that you have used for account creation. Once you have logged in successfully, you will be brought to your Profile page and you can:

- View Your Profile
- View / Edit / Cancel Your Courses
- Manage Mailing Preferences

2. Register for a Course¹

2.1 Course Registration for Individuals and Self-Sponsored

Kindly ensure you have an account with SITLEARN and log in before registering for the course(s) you are keen to attend. Please refer to [1.1 Account Creation](#) on the steps of creating an account with us.

Upon successful login, please browse through our courses on our website under “Courses” or “Goals”. Alternatively, you can search for a course via our [Course Finder](#).

The screenshot shows the SITLEARN Course Finder interface. At the top, there is a navigation bar with the SITLEARN logo and a menu with options: Courses, Goals, For Organisations, Insights, Resources, and Connect With Us. A search icon is also present. Below the navigation bar, the page title is 'Course Finder' and the subtitle is 'Discover courses that can enhance your skillset, elevate your career, and take it to the next level.' On the left side, there is a search bar with the text 'Find courses, certifications and examinations' and a search button. Below the search bar, there are filter options for Domain and Topic. The main content area displays 192 results found, sorted by Start Date Ascending. Two course cards are visible: 'Database Management and Data Protection' and 'Sustainable and Resilient Data Centres'. Each card includes a title, a description, a start date of 16 Sep 2024, a duration, and a delivery mode of In-person.

Select and click “Apply Now” and choose the course run you wish to register for.

¹ Course includes Seminars, Symposiums, Examinations, Workshops etc

Overview

Artificial Intelligence (AI) / Machine Learning (ML) is fast becoming a crucial part of business processes and is touted to be the key to successful digital transformation.

However, these phrases remain buzzwords to many business executives. Without a basic understanding of AI/ML, the participation of these key personnel will be limited, and such digital transformations may fall short.

Course Cancellation

If a course is cancelled, you will receive an email notification stating that your registration was not successful.

Dear Mr Tan

We regret to inform you that your registration is **unsuccessful**. The course may either have been rescheduled, cancelled or reached maximum class size.

If you are registering on behalf of other individuals, please access your account to check on the specific individual's registration status and inform them on their status.

Once again, we apologise for the inconvenience caused.

There may be future runs of this course. However, we will not be able to put you on a waiting list nor register on your behalf for future runs of the course. You may wish to subscribe to our mailing list for course announcements and register if a future run of this course is available.

Kindly contact sitlearn@singaporetech.edu.sg if you require any clarification.

Thank you.

Sincerely,
SITLEARN
